DETAILED ACTION

Claims 28-39 are pending in the application.

Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicants' submission filed on December 15, 2003 has been entered.

Newly submitted claims 34-39 are directed to an invention that is independent or distinct from the invention originally claimed for the following reasons: claims 34-39 are directed to products whereas the prosecution of the instant application is directed to a process of making

(e.g., claims 28-33). The inventions are distinct if either or both of the following can be shown: (1) that the process as claimed can be used to make other and materially different product or (2) that the product as claimed can be made by another and materially different process (MPEP § 806.05(f)). In the instant case, the product as claimed can be made by another and materially different process.

Since applicant has received an action on the merits for the originally presented invention, this invention has been constructively elected by original presentation for prosecution on the merits.

Accordingly, claims 34-39 are withdrawn from consideration as being directed to a non-elected invention(s). See 37 CFR 1.142(b) and MPEP § 821.03.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Donald R. Studebaker on December 24, 2003.

The application has been amended as follows:

In the Claims:

Claim 28:

line 9 of claim: replace

with

Claim 28:

lines 10-11: replace "an alkyl group or aralkyl group of C1 to C8"
with -- a C1 to C8 alkyl group or an aralkyl group -- .

Cancel claims 34-39.
